

**WALKER GLASS CO. LTD.**  
**LIMITED WARRANTY FOR SILVERED FLAT GLASS MIRROR**

Walker Glass mirrors are made from selected *float* glass and conform to the following standards:

**USA**                    **ASTM C 1503-08 Standard Specification for Silvered Flat Glass Mirror.**  
**CANADA**            **CAN/CGSB-12.5-86 Type 1B National Standard of Canada – Mirrors, Silvered**

Inherent in the *float* glass process are some small gaseous inclusions and minor abrasions. Occasional small “bubbles” and hairlines are, therefore, perfectly normal and acceptable under these Standards and should be virtually unnoticeable from a normal viewing distance.

In the event that the Mirror contains defects in the silver film as stated above, Walker must be notified in writing at the address indicated on the original invoice. Walker reserves the right to inspect any Mirror alleged to be defective in the location and under the conditions where the defect was first detected. Liability under this Warranty is limited, at Walker's exclusive discretion, to either

or
- Walker refunding 100% of the original selling price of the mirror. Labor costs are not covered by this Warranty. This Warranty does not apply to replacement Mirror beyond the Warranty period applicable to the original Mirror.
