**SUBJECT: Minority/Women Business Enterprise (MWBE) Certification Approval**

Dear Alex Oanono,

The City and County of Denver's Division of Small Business Opportunity (DSBO) is pleased to inform you that Blue Star Glass Texas, LLC is now certified as a **Minority/Women Business Enterprise (MWBE)**, pursuant to the Denver Revised Municipal Code (D.R.M.C) Division 1 and 3, Article III, V, VII of Chapter 28. Your firm, and the types of work you have been certified to perform, will be listed in the City and County of Denver's Certified Directory at https://denver.mwdbe.com/.

Blue Star Glass Texas, LLC is eligible to participate as a Minority/Women Business Enterprise (MWBE) on City funded projects and contracts, and/or certain privately funded projects on City owned property in the following NAICS codes:

**NAICS 327215: INSULATING GLASS, SEALED UNITS, MADE FROM PURCHASED GLASS**

It is your responsibility to make sure the NAICS codes you are certified in are kept up to date. If you wish to become certified in an additional type of work, submit a NAICS Expansion available on the Small Business Certification and Contract Management System.

**Important Information for Maintaining Your Certification**

You must submit, every year on the anniversary date of your certification, an Annual Update with the required documentation including a Declaration of Eligibility (DOE) and your firm's most recent federal tax return, including affiliate businesses and joint ventures, or other accepted documentation of gross receipts.

**Your firm's next Annual Update is due: April 30, 2026.**

Every three years, you must submit a 3-Year Review. As part of this review, you will be required to submit an updated Personal Net Worth (PNW) Statement and participate in another site visit.

**Your firm's 3-Year Review is due: April 30, 2028.**

If you are also ACDBE/DBE certified through DSBO, you do not need to complete a separate Annual Update or 3-Year Review for your ACDBE/DBE certification.

DSBO sends monthly reminders beginning 90 days prior to your anniversary date, however, it is still your responsibility to submit the Annual Update or 3-Year Review in a timely manner. To ensure you receive these, and all notices DSBO sends, make sure your contact information in your Vendor Profile is kept current and add denver@mwdbe.com to your safe sender list.

Finally, you must inform DSBO, in writing, of any changes to your firm's legal structure, ownership, management, or control, within thirty (30) days of such change. You can provide this information by submitting a Material Change Application available on the Small Business Certification and Contract Management System.

**FAILURE TO SUBMIT THE ANNUAL UPDATE OR 3-YEAR REVIEW, OR TO REPORT ANY MATERIAL CHANGES MAY RESULT IN REVOCATION OF YOUR CERTIFICATION.**

If you have any questions or need assistance, please contact the certification team at (720) 913-1714 or email at certificationinfo@denvergov.org

Sincerely,

Stephanie Knight
